John Young Parkway Engineering Study

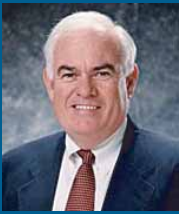

Project Schedule

July 2005

District 6
 Commissioner
 Homer L. Hartage

Although we are in the early stages of the project, below is the proposed schedule for this study.

Orange County
Mayor
Richard T. Crotty

JOHN YOUNG PARKWAY

ENGINEERING STUDY NEWSLETTER

ISSUE 1 • July 2005

District 6
Commissioner
Homer L. Hartage

John Young Parkway Engineering Study Begins

Orange County has initiated an Engineering Study for the proposed improvements to John Young Parkway from State Road (SR) 528 to the Florida's Turnpike Bridge. These improvements will widen John Young Parkway to six lanes within the study corridor and will include improvement to the Sand Lake Road intersection. Both at-grade and grade-separated alternatives were considered for the intersection configuration.

Recommended Improvement Public Meeting Scheduled

To ensure that your input is accurately reflected regarding the recommended transportation improvements, you are invited to attend a Public Meeting for the John Young Parkway Engineering Study to be held on Thursday, August 11, 2005 at the Freedom High School Media Center at 2500 Taft Vineland Road, Orlando.

At this meeting the project team will present the recommended improvement(s) being considered. *The meeting will begin with an open house at 6:30 p.m. followed by a formal presentation and question and answer forum at 7:00 p.m.* Members of the Study Team and County staff will be available to discuss the project. Aerial maps depicting the recommended improvements and other project information will be available for your review and comment.

Stay Involved

Your input into the decision making process provides valuable information in the development of major improvements that not only meets the transportation needs in the area, but is also supported by the community it is intended to serve. Additional newsletters will be sent to you announcing future public hearings and events. You can also view additional project information on the Orange County website.

Location Map

PUBLIC MEETING LOCATION
Thursday, August 11 at 6:30 PM
Freedom High School
2500 Taft-Vineland Rd
Orlando, FL 32837
